

# CULTURAL HERITAGE IN HUMAN DIMENSION

# Mission

Create the digital cultural ecosystem for preserving and for free wide access to cultural heritage of mankind

# Vision

The digital online platform for structured data on prominent personalities that have made a significant contribution to the cultural heritage of mankind

# Goals

to ensure preservation and accessibility to the national visual cultural heritage via the Internet;

to increase national consciousness and self-identification;

to raise global awareness of the world cultural heritage;

to discover for yourself an "unknown heritage", to bring it into a pan-European art family and to present to the whole world;

# Goals

to increase tourist attractiveness of Eastern Europe;

to inspire young people to study and popularize the national heritage;

to show cultural ties between the countries of the European Union and the countries of the Eastern Partnership.
